

CLOSTER NATURE CENTER 2017 SUMMER PROGRAM FOR CHILDREN

Our **136 acres** of ponds, streams, meadows and forest are waiting to be explored by young people in small groups led by a trained naturalist and assistants. Children will hike, dig, wade in the water, examine nature, discuss the environment and above all, have fun!!

For over 45 years, our goal has been to help every child become active and at ease outdoors, to see him/herself as a part of nature and to appreciate the natural world as a source of learning and adventure.

We offer 2-hour programs for children ages 4-6. 3-hour programs for children ages 7-14.

Both morning and afternoon programs are offered each week.

Full program listing on back
